AMENDMENT

Director, U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Responsive to the Office Action of September 28,
2001, please enter the amendments and remarks set out below.

In the Claims:

Please amend Claim 20 as follows:

20. (Amended) A siren according to Claim 19 wherein
a vehicle includes an ignition switchable between ON and OFF
positions; and wherein said siren is operable responsive to
the ignition being in the OFF position and is not operable
responsive to the ignition being in the ON position.

REMARKS

Applicant would like to thank the Examiner for the
thorough examination of the present application. The minor
informality in Claim 20 has been corrected, as helpfully
pointed out by the Examiner. Attached hereto is a marked-up
version of the changes made to the claims by the current
